CONCEALED HANDGUN PERMIT INFORMATION

Please read these documents thoroughly. The application may be typed or printed in ink, but must be completed in full. Please use additional sheets of paper if necessary to respond to the questions. **If the application is not fully completed, it cannot be processed.** By law, the Sheriff has ninety (90) days from receipt of your application to perform a background check and either approve or deny your request for a concealed handgun permit. **It could take up to ninety (90) days** to complete the background check and notify you that your permit is ready to pick up.

Residents of Arapahoe County, individuals who maintain a secondary residence, own or leases real property used as a business, or has been previously issued a permit in Arapahoe County, may submit a Concealed Handgun Permit Application to the Sheriff of Arapahoe County. The applicant shall sign the completed form in person – before a deputy sheriff or designee – that the applicant knows the contents of the permit application and that the information contained in the permit application is true and correct.

Applications for new, renewal or retired peace officer concealed handgun permits will be accepted on a walk in basis at the Arapahoe County Sheriff's Office Administration Building located at 13101 East Broncos Parkway in Centennial. The hours for walk in applications are Tuesday, Wednesday, and Thursday from 8 a.m. until 4 p.m. When the application is turned in the applicants will have their photograph and fingerprints taken. Depending on the number of applications being processed, there may be an extended waiting period. Please ensure that you have sufficient time allocated to complete the entire process.

An applicant who knowingly and intentionally makes a false or misleading statement on a permit application or deliberately omits any material information requested on the application commits perjury as described in Colorado Revised Statute (C.R.S.) 18-8-503. Upon conviction, the applicant shall be punished as provided in 18-1.3-501 of the Colorado Revised Statutes. In addition, the applicant shall be denied the right to obtain or possess a permit, and the Sheriff shall revoke the applicant's permit if issued prior to conviction.

The Information portion of the packet should be kept for your future reference. In addition to a completed application form, you must submit:

- For new permits, a non-refundable \$152.50 processing fee in the form of a **cashier's check, personal check, cash or money order**, shall be made payable to the **Arapahoe County Sheriff's Office (ACSO)**. **ACSO can also accept credit or debit cards (excluding American Express)**. This fee pays for a state and national criminal history check (fingerprints) and for an Insta-Check, per Statute. This is required for all regular civilian applicants.
- A government issued form of identification; to include a Colorado Driver's License, Colorado ID Card or Military ID Card.

- Documentary evidence demonstrating competence with a handgun as specified in section 18-12-203(1) (h) of the Colorado Revised Statute.

PURPOSE

The purpose of the application is to ensure the following prerequisites are met:

To protect the safety of both the public and the permit holder, by reasonably ensuring that the permit holder is mentally and physically capable of the proper conduct while handling a handgun.

To provide a reasonable assurance that a permit holder is knowledgeable in the use of firearms and is informed of the statutory restrictions on such use of firearms.

To prevent the issuance of a permit to a person who is prohibited by law to possess firearms.

APPLICATION CRITERIA

The application packet is to be read thoroughly, completed in full and returned to the Sheriff's Office. Only an original application will be accepted.

In addition, the sheriffs of this state shall ensure that all permits issued pursuant to this part 2 contain the same items of information and are the same size and the same color.

(b) A permit is valid for a period of five years after the date of issuance and may be renewed as provided in section 18-12-211. A charge of failure to carry and produce a permit and valid photo identification upon demand pursuant to this subsection (2) shall be dismissed by the court if, at or before the permittee's scheduled court appearance, the permittee exhibits to the court a valid permit and valid photo identification, both of which were issued to the permittee prior to the date on which the permittee was charged with failure to carry and produce a permit and valid photo identification upon demand.

(II) The handgun is in the possession of a person who is legally engaged in hunting activities within the state.

(b) The provisions of this subsection (3) shall not be construed to authorize the carrying of a handgun in violation of the provisions of section 18-12-105 or 18-12-105.5.

18-12-205. Sheriff - application - procedure - background check.

(1) (a) To obtain a permit, a person shall submit a permit application on a statewide standardized form developed by the sheriffs and available from each sheriff. The permit application form shall solicit only the following information from the applicant:

(I) The applicant's full name, date of birth, and address;

(II) The applicant's birth name, if different from the name provided pursuant to subparagraph (I) of this paragraph (a), and any other names the applicant may have used or by which the applicant may have been known;

(III) The applicant's home address or addresses for the ten-year period immediately preceding submittal of the application;

(IV) Whether the applicant is a resident of this state as of the date of application and whether the applicant has a valid driver's license or other state-issued photo identification or military order proving residence; and

(V) Whether the applicant meets the criteria for obtaining a permit specified in section 18-12-203 (1).

(b) The permit application form shall not require the applicant to waive or release a right or privilege, including but not limited to waiver or release of privileged or confidential information contained in medical records.

(2) (a) An applicant shall complete the permit application form and return it, in person, to the sheriff of the county or city and county in which the applicant resides, to the sheriff of the county or city and county in which the applicant maintains a secondary residence or owns or leases real property used by the applicant in a business. The applicant shall sign the completed permit application form in person before the sheriff. The applicant shall provide his or her signature voluntarily upon a sworn oath that the applicant knows the contents of the permit application and that the information contained in the permit application is true and correct. An applicant who knowingly and intentionally makes a false or misleading statement on a permit application or deliberately omits any material information requested on the application commits perjury as described in section 18-8-503. Upon conviction, the applicant shall be punished as provided in section 18-1.3-501. In addition, the applicant shall be denied the right to obtain or possess a permit, and the sheriff shall revoke the applicant's permit if issued prior to conviction.

(b) An applicant shall also submit to the sheriff a permit fee not to exceed one hundred dollars for processing the permit application. The sheriff shall set the amount of the permit fee as provided in subsection (5) of this section. In addition, the applicant shall submit an amount specified by the director of the bureau, pursuant to section 24-72-306, C.R.S., for processing the applicant's fingerprints through the bureau and through the federal bureau of

investigation. Neither the permit fee nor the fingerprint processing fee shall be refundable in the event the sheriff denies the applicant's permit application or suspends or revokes the permit subsequent to issuance.

(3) In addition to the items specified in subsection (2) of this section, an applicant, when submitting the completed permit application, shall submit the following items to the sheriff:

(a) Documentary evidence demonstrating competence with a handgun as specified in section 18-12-203 (1) (h); and

(b) A full frontal view color photograph of the applicant's head taken within the thirty days immediately preceding submittal of the permit application; except that the applicant need not submit a photograph if the sheriff photographs the applicant for purposes of issuing a permit. Any photograph submitted shall show the applicant's full head, including hair and facial features, and the depiction of the applicant's head shall measure one and one-eighth inches wide and one and one-fourth inches high.

(4) (a) The sheriff shall witness an applicant's signature on the permit application as provided in subsection (2) of this section and verify that the person making application for a permit is the same person who appears in any photograph submitted and the same person who signed the permit application form. To verify the applicant's identity, the applicant shall present to the sheriff the applicant's valid Colorado driver's license or valid Colorado or military photo identification.

(b) After verifying the applicant's identity, the sheriff shall take two complete sets of the applicant's fingerprints. The sheriff shall submit both sets of fingerprints to the bureau, and the sheriff shall not retain a set of the applicant's fingerprints.

(c) After receipt of a permit application and the items specified in this section, the sheriff shall verify that the applicant meets the criteria specified in section 18-12-203 (1) and is not a danger as described in section 18-12-203 (2). The verification at a minimum shall include requesting the bureau to conduct a search of the national instant criminal background check system and a search of the state integrated criminal justice information system to determine whether the applicant meets the criteria specified in section 18-12-203 (1). In addition, if the applicant resides in a municipality or town, the sheriff shall consult with the police department of the municipality or town in which the applicant resides, and the sheriff may consult with other local law enforcement agencies.

(5) The sheriff in each county or city and county in the state shall establish the amount of the new and renewal permit fees within his or her jurisdiction. The amount of the new and renewal permit fees shall comply with the limits specified in paragraph (b) of subsection (2) of this section and section 18-12-211 (1), respectively. The fee amounts shall reflect the actual direct and indirect costs to the sheriff of processing permit applications and renewal applications pursuant to this part 2.

18-12-206. Sheriff - issuance or denial of permits - report.

(1) Within ninety days after the date of receipt of the items specified in section 18-12-205, a sheriff shall:

(a) Approve the permit application and issue the permit; or

(b) Deny the permit application based solely on the ground that the applicant fails to qualify under the criteria listed in section 18-12-203 (1) or that the applicant would be a danger as described in section 18-12-203 (2). If the sheriff denies the permit application, he or she shall notify the applicant in writing, stating the grounds for denial and informing the applicant of the right to seek a second review of the application by the sheriff, to submit additional information for the record, and to seek judicial review pursuant to section 18-12-207.

(2) If the sheriff does not receive the results of the fingerprint checks conducted by the bureau and by the federal bureau of investigation within ninety days after receiving a permit application, the sheriff shall determine whether to grant or deny the permit application without considering the fingerprint check information. If, upon receipt of the information, the sheriff finds that the permit was issued or denied erroneously, based on the criteria specified in section 18-12-203 (1) and (2), the sheriff shall either revoke or issue the permit, whichever is appropriate.

(3) (a) Each sheriff shall maintain a list of the persons to whom he or she issues permits pursuant to this part 2. Upon request by another criminal justice agency for law enforcement purposes, the sheriff may, at his or her discretion, share information from the list of permittees with a law enforcement agency for the purpose of determining the validity of a permit. A database maintained pursuant to this subsection (3) and any database operated by a state agency that includes permittees shall be searchable only by name.

(b) (I) Notwithstanding the provisions of paragraph (a) of this subsection (3), on and after July 1, 2011, a sheriff shall not share information from the list of permittees with a law enforcement agency for the purpose of creating a statewide database of permittees, and any law enforcement agency that receives information concerning permittees from a sheriff shall not use the information to create or maintain a statewide database of permittees. Any information concerning a permittee that is included in a statewide database pursuant to paragraph (a) of this subsection (3) shall be removed from the database no later than July 1, 2011.

(II) Prior to the repeal in subparagraph (I) of this paragraph (b), the state auditor's office shall conduct a performance audit of the statewide database of permittees as provided in section 2-3-118, C.R.S.

(c) Except for suspected violations of sections 18-12-105 and 18-12-105.5, a peace officer may not use or search a database of permittees maintained by a law enforcement agency to establish reasonable suspicion for a traffic stop, or when contacting an individual, to justify probable cause for a search or seizure of a person or a person's vehicle or property.

(4) Each sheriff shall annually prepare a report specifying, at a minimum, the number of permit applications received during the year for which the report was prepared, the number of permits issued during the year, the number of permits denied during the year, the reasons for denial, the number of revocations during the year, and the reasons for the revocations. The report shall not include the name of a person who applies for a permit, regardless of whether the person receives or is denied a permit. Each sheriff shall submit the report on or before March 1, 2004, and on or before March 1 each year thereafter, to the members of the general assembly. In addition, each sheriff shall provide a copy of the annual report prepared pursuant to this subsection (4) to a member of the public upon request.

18-12-207. Judicial review - permit denial - permit suspension - permit revocation.

(1) If a sheriff denies a permit application, refuses to renew a permit, or suspends or revokes a permit, the applicant or permittee may seek judicial review of the sheriff's decision. The applicant or permittee may seek judicial review either in lieu of or subsequent to the sheriff's second review.

(2) The procedure and time lines for filing a complaint, an answer, and briefs for judicial review pursuant to this section shall be in accordance with the procedures specified in rule 106 (a) (4) and (b) of the Colorado rules of civil procedure.

(3) Notwithstanding any other provision of law to the contrary, at a judicial review sought pursuant to this section, the sheriff shall have the burden of proving by a preponderance of the evidence that the applicant or permittee is ineligible to possess a permit under the criteria listed in section 18-12-203 (1) or, if the denial, suspension, or revocation was based on the sheriff's determination that the person would be a danger as provided in section 18-12-203 (2), the sheriff shall have the burden of proving the determination by clear and convincing evidence. Following completion of the review, the court may award attorney fees to the prevailing party.

18-12-208. Colorado bureau of investigation - duties.

(1) Upon receipt of a permit applicant's fingerprints from a sheriff pursuant to section 18-12-205 (4) or upon a sheriff's request pursuant to section 18-12-211 (1), the bureau shall process the full set of fingerprints to obtain any available state criminal justice information or federal information pursuant to section 16-21-103 (5), C.R.S., and shall report any information received to the sheriff. In addition, within ten days after receiving the fingerprints, the bureau shall forward one set of the fingerprints to the federal bureau of investigation for processing to obtain any available state criminal justice information or federal information.

(2) The bureau shall use the fingerprints received pursuant to this part 2 solely for the purposes of:

(a) Obtaining information for the issuance or renewal of permits; and

(b) Notifying an issuing sheriff that a permittee has been arrested for or charged with an offense that would require revocation or suspension of the permit or that a permittee has been convicted of such an offense.

(3) On or before January 15, 2004, and on or before January 15 each year thereafter until January 15, 2007, the bureau shall provide to the general assembly a list of the jurisdictions in which the sheriff provides to the bureau the names of persons to whom the sheriff issues permits.

18-12-209. Issuance by sheriffs of temporary emergency permits.

(1) Notwithstanding any provisions of this part 2 to the contrary, a sheriff, as provided in this section, may issue a temporary emergency permit to carry a concealed handgun to a person whom the sheriff has reason to believe may be in immediate danger.

(2) To receive a temporary emergency permit, a person shall submit to the sheriff of the county or city and county in which the person resides or in which the circumstances giving rise to the emergency exist the items specified in section 18-12-205; except that an applicant for a temporary emergency permit need not submit documentary evidence demonstrating competence with a handgun as required under section 18-12-205 (3) (a), and the applicant shall submit a temporary permit fee not to exceed twenty-five dollars, as set by the sheriff. Upon receipt of the documents and fee, the sheriff shall request that the bureau conduct a criminal history record check of the bureau files and a search of the national instant criminal background check system. The sheriff may issue a temporary emergency permit to the applicant if the sheriff determines the person may be in immediate danger and the criminal history record check shows that the applicant meets the criteria specified in section 18-12-203; except that the applicant need not demonstrate competence with a handgun and the applicant may be eighteen years of age or older. A temporary emergency permit issued pursuant to this section is valid for a period of ninety days after the date of issuance. Prior to or within ten days after expiration of a temporary emergency permit, the permittee may apply to the issuing sheriff for renewal of the permit. The issuing sheriff may renew a temporary emergency permit once for an additional ninety-day period; except that, if the permittee is younger than twenty-one years of age, the sheriff may renew the temporary emergency permit for subsequent ninety-day periods until the permittee reaches twenty-one years of age.

18-12-210. Maintenance of permit - address change - invalidity of permit.

(1) Within thirty days after a permittee changes the address specified on his or her permit or within three business days after his or her permit is lost, stolen, or destroyed, the permittee shall notify the issuing sheriff of the change of address or permit loss, theft, or destruction. Failure to notify the sheriff pursuant to this subsection (1) is a class 1 petty offense.

(2) If a permit is lost, stolen, or destroyed, the permit is automatically invalid. The person to whom the permit was issued may obtain a duplicate or substitute therefore upon payment of fifteen dollars to the issuing sheriff and upon submission of a notarized statement to the issuing sheriff that the permit has been lost, stolen, or destroyed.

(3) The provisions of this section apply to temporary emergency permits issued pursuant to section 18-12-209.

18-12-211. Renewal of permits.

(1) Within one hundred twenty days prior to expiration of a permit, the permittee may obtain a renewal form from the sheriff and renew the permit by submitting to the sheriff a completed renewal form, a notarized affidavit stating that the permittee remains qualified pursuant to the criteria specified in section 18-12-203 (1) (a) to (1) (g), and the required renewal fee not to exceed fifty dollars, as set by the sheriff pursuant to section 18-12-205(5). The renewal form shall meet the requirements specified in section 18-12-205 (1) for an application. The sheriff shall verify pursuant to section 18-12-205 (4) that the permittee meets the criteria specified in section 18-12-203 (1) (a) to (1) (g) and is not a danger as described in section 18-12-203 (2) and shall either renew or deny the renewal of the permit in accordance with the

provisions of section 18-12-206 (1). If the sheriff denies renewal of a permit, the permittee may seek a second review of the renewal application by the sheriff and may submit additional information for the record. The permittee may also seek judicial review as provided in section 18-12-207.

(2) A permittee who fails to file a renewal form on or before the permit expiration date may renew the permit by paying a late fee of fifteen dollars in addition to the renewal fee established pursuant to subsection (1) of this section. No permit shall be renewed six months or more after its expiration date, and the permit shall be deemed to have permanently expired. A person whose permit has permanently expired may reapply for a permit, but the person shall submit an application for a permit and the fee required pursuant to section 18-12-205. A person who knowingly and intentionally files false or misleading information or deliberately omits material information required under this section is subject to criminal prosecution for perjury under section 18-8-503.

18-12-212. Exemption.

(1) This part 2 shall not apply to law enforcement officers employed by jurisdictions outside this state, so long as the foreign employing jurisdiction exempts peace officers employed by jurisdictions within Colorado from any concealed handgun or concealed weapons laws in effect in the foreign employing jurisdiction.

(2) Notwithstanding any provision of this part 2 to the contrary, a retired peace officer, level I or Ia, as defined in section 18-1-901 (3) (I) (I) and (3) (I) (II), as said section existed prior to its repeal in 2003, within the first five years after retirement may obtain a permit by submitting to the sheriff of the jurisdiction in which the retired peace officer resides a letter signed by the sheriff or chief of police of the jurisdiction by which the peace officer was employed immediately prior to retirement attesting that the retired officer meets the criteria specified in section 18-12-203 (1). A retired peace officer who submits a letter pursuant to this subsection (2) is not subject to the fingerprint or criminal history check requirements specified in this part 2 and is not required to pay the permit application fee. Upon receipt of a letter submitted pursuant to this subsection (2), the sheriff shall issue the permit. A permit issued pursuant to this subsection (2) may not be renewed. Upon expiration of the permit, the permittee may apply for a new permit as provided in this part 2.

(1) (a) A permit to carry a concealed handgun authorizes the permittee to carry a concealed handgun in all areas of the state, except as specifically limited in this section. A permit does not authorize the permittee to use a handgun in a manner that would violate a provision of state law. A local government does not have authority to adopt or enforce an ordinance or resolution that would conflict with any provision of this part 2.

(b) A peace officer may temporarily disarm a permittee, incident to a lawful stop of the permittee. The peace officer shall return the handgun to the permittee prior to discharging the permittee from the scene.

(2) A permit issued pursuant to this part 2 does not authorize a person to carry a concealed handgun into a place where the carrying of firearms is prohibited by federal law.

18-12-105.6. Limitation on local ordinances regarding firearms in private vehicles.

(1) The general assembly hereby finds that:

(a) A person carrying a weapon in a private automobile or other private means of conveyance for hunting or for lawful protection of such person's or another's person or property, as permitted in sections 18-12-105 (2) (b) and 18-12-105.5 (3) (c), may tend to travel within a county, city and county, or municipal jurisdiction or in or through different county, city and county, and municipal jurisdictions, en route to the person's destination;

(b) Inconsistent laws exist in local jurisdictions with regard to the circumstances under which weapons may be carried in automobiles and other private means of conveyance;

(c) This inconsistency creates a confusing patchwork of laws that unfairly subjects a person who lawfully travels with a weapon to criminal penalties because he or she travels within a jurisdiction or into or through another jurisdiction;

(d) This inconsistency places citizens in the position of not knowing when they may be violating local laws while traveling within a jurisdiction or in, through, or between different jurisdictions, and therefore being unable to avoid committing a crime.

(2) (a) Based on the findings specified in subsection (1) of this section, the general assembly concludes that the carrying of weapons in private automobiles or other private means of conveyance for hunting or for lawful protection of a person's or another's person or property while traveling into, through, or within, a municipal, county, or city and county jurisdiction, regardless of the number of times the person stops in a jurisdiction, is a matter of statewide concern and is not an offense.

(b) Notwithstanding any other provision of law, no municipality, county, or city and county shall have the authority to enact or enforce any ordinance or resolution that would restrict a person's ability to travel with a weapon in a private automobile or other private means of conveyance for hunting or for lawful protection of a person's or another's person or property while traveling into, through, or within, a municipal, county, or city and county jurisdiction, regardless of the number of times the person stops in a jurisdiction.

(b) Recklessly or with criminal negligence he discharges a firearm or shoots a bow and arrow; or

(c) He knowingly sets a loaded gun, trap, or device designed to cause an explosion upon being tripped or approached, and leaves it unattended by a competent person immediately present; or

(d) The person has in his or her possession a firearm while the person is under the influence of intoxicating liquor or of a controlled substance, as defined in section 12-22-303 (7), C.R.S. Possession of a permit issued under section 18-12-105.1, as it existed prior to its repeal, or possession of a permit or a temporary emergency permit issued pursuant to part 2 of this article is no defense to a violation of this subsection (1).

(e) He knowingly aims, swings, or throws a throwing star or nunchaku as defined in this paragraph (e) at another person, or he knowingly possesses a throwing star or nunchaku in a public place except for the purpose of presenting an authorized public demonstration or exhibition or pursuant to instruction in conjunction with an organized school or class. When transporting throwing stars or nunchaku for a public demonstration or exhibition or for a school or class, they shall be transported in a closed, nonaccessible container. For purposes of this paragraph (e), "nunchaku" means an instrument consisting of two sticks, clubs, bars, or rods to be used as handles, connected by a rope, cord, wire, or chain, which is in the design of a weapon used in connection with the practice of a system of self-defense, and "throwing star" means a disk having sharp radiating points or any disk-shaped bladed object which is hand-held and thrown and which is in the design of a weapon used in connection with the practice of a system of self-defense.

such person was incarcerated or, if subject to supervision imposed as a result of conviction, ten years after the date of release from supervision.

(d) Any sentence imposed pursuant to this subsection (2) shall run consecutively with any prior sentences being served by the offender.

(3) A person commits the crime of possession of a weapon by a previous offender if the person knowingly possesses, uses, or carries upon his or her person a firearm as described in section 18-1-901 (3) (h) or any other weapon that is subject to the provisions of this article subsequent to the person's adjudication for an act which, if committed by an adult, would constitute a felony, or subsequent to the person's adjudication for attempt or conspiracy to commit a felony, under Colorado or any other state's law or under federal law.

(4) (a) Except as otherwise provided by paragraphs (b) and (c) of this subsection (4), a person commits a class 6 felony if the person violates subsection (3) of this section.

(b) A person commits a class 5 felony, as provided by section 18-12-102, if the person violates subsection (3) of this section and the weapon is a dangerous weapon, as defined in section 18-12-102 (1).

(c) A person commits a class 5 felony if the person commits the conduct described in subsection (3) of this section and the person's previous adjudication was based on an act that, force or the use of a deadly weapon and the violation of subsection (3) of this section occurs as follows:

(4) It shall not be an offense under this section if a person believes that a juvenile will physically harm the person if the person attempts to disarm the juvenile or prevent the juvenile from committing a violation of section 18-12-108.5.

18-12-110. Forfeiture of firearms.

Upon the motion of the prosecuting attorney after the conviction of a defendant, the court may order the forfeiture of any firearms which were used by the defendant during the course of the criminal episode which gave rise to said conviction as an element of sentencing or as a condition of probation or of a deferred sentence. (2) Deadly physical force may be used only if a person reasonably believes a lesser degree of force is inadequate and:

(a) The actor has reasonable ground to believe, and does believe, that he or another person is in imminent danger of being killed or of receiving great bodily injury; or

(b) The other person is using or reasonably appears about to use physical force against an occupant of a dwelling or business establishment while committing or attempting to commit burglary as defined in sections 18-4-202 to 18-4-204; or

(c) The physical force involved is the product of a combat by agreement not specifically authorized by law.

(4) In a case in which the defendant is not entitled to a jury instruction regarding self-defense as an affirmative defense, the court shall allow the defendant to present evidence, when relevant, that he or she was acting in self-defense. If the defendant presents evidence of self-defense, the court shall instruct the jury with a self-defense law instruction. The court shall instruct the jury that it may consider the evidence of self-defense in determining whether the defendant acted recklessly, with extreme indifference, or in a criminally negligent manner. However, the self-defense law instruction shall not be an affirmative defense instruction and the prosecuting attorney shall not have the burden of disproving self-defense. This section shall not apply to strict liability crimes.

(2) Notwithstanding the provisions of section 18-1-704, any occupant of a dwelling is justified in using any degree of physical force, including deadly physical force, against another person when that other person has made an unlawful entry into the dwelling, and when the occupant has a reasonable belief that such other person has committed a crime in the dwelling in addition to the uninvited entry, or is committing or intends to commit a crime against a person or property in addition to the uninvited entry, and when the occupant reasonably believes that such other person might use any physical force, no matter how slight, against any occupant.

(3) Any occupant of a dwelling using physical force, including deadly physical force, in accordance with the provisions of subsection (2) of this section shall be immune from criminal prosecution for the use of such force.

(4) Any occupant of a dwelling using physical force, including deadly physical force, in accordance with the provisions of subsection (2) of this section shall be immune from any civil liability for injuries or death resulting from the use of such force.

18-1-705. Use of physical force in defense of premises.

A person in possession or control of any building, realty, or other premises, or a person who

is licensed or privileged to be thereon, is justified in using reasonable and appropriate physical force upon another person when and to the extent that it is reasonably necessary to prevent or terminate what he reasonably believes to be the commission or attempted commission of an unlawful trespass by the other person in or upon the building, realty, or premises. However, he may use deadly force only in defense of himself or another as described in section 18-1-704, or when he reasonably believes it necessary to prevent what he reasonably believes to be an attempt by the trespasser to commit first degree arson.

18-1-706. Use of physical force in defense of property.

A person is justified in using reasonable and appropriate physical force upon another person when and to the extent that he reasonably believes it necessary to prevent what he reasonably believes to be an attempt by the other person to commit theft, criminal mischief, or criminal tampering involving property, but he may use deadly physical force under these circumstances only in defense of himself or another as described in section 18-1-704.

18-1-707. Use of physical force in making an arrest or in preventing an escape.

(1) Except as provided in subsection (2) of this section, a peace officer is justified in using reasonable and appropriate physical force upon another person when and to the extent that he reasonably believes it necessary:

(a) To effect an arrest or to prevent the escape from custody of an arrested person unless he knows that the arrest is unauthorized; or

(b) To defend himself or a third person from what he reasonably believes to be the use or imminent use of physical force while effecting or attempting to effect such an arrest or while preventing or attempting to prevent such an escape.

(2) A peace officer is justified in using deadly physical force upon another person for a purpose specified in subsection (1) of this section only when he reasonably believes that it is necessary:

(a) To defend himself or a third person from what he reasonably believes to be the use or imminent use of deadly physical force; or

(b) To effect an arrest, or to prevent the escape from custody, of a person whom he reasonably believes:

(I) Has committed or attempted to commit a felony involving the use or threatened use of a deadly weapon; or

(II) Is attempting to escape by the use of a deadly weapon; or

(III) Otherwise indicates, except through a motor vehicle violation, that he is likely to endanger human life or to inflict serious bodily injury to another unless apprehended without delay.

(3) Nothing in subsection (2) (b) of this section shall be deemed to constitute justification for reckless or criminally negligent conduct by a peace officer amounting to an offense

against or with respect to innocent persons whom he is not seeking to arrest or retain in custody.

(4) For purposes of this section, a reasonable belief that a person has committed an offense means a reasonable belief in facts or circumstances which if true would in law constitute an offense. If the believed facts or circumstances would not in law constitute an offense, an erroneous though not unreasonable belief that the law is otherwise does not render justifiable the use of force to make an arrest or to prevent an escape from custody. A peace officer who is effecting an arrest pursuant to a warrant is justified in using the physical force prescribed in subsections (1) and (2) of this section unless the warrant is invalid and is known by the officer to be invalid.

(5) Except as provided in subsection (6) of this section, a person who has been directed by a peace officer to assist him to effect an arrest or to prevent an escape from custody is justified in using reasonable and appropriate physical force when and to the extent that he reasonably believes that force to be necessary to carry out the peace officer's direction, unless he knows that the arrest or prospective arrest is not authorized.

(6) A person who has been directed to assist a peace officer under circumstances specified in subsection (5) of this section may use deadly physical force to effect an arrest or to prevent an escape only when:

(a) He reasonably believes that force to be necessary to defend himself or a third person from what he reasonably believes to be the use or imminent use of deadly physical force; or

(b) He is directed or authorized by the peace officer to use deadly physical force and does not know, if that happens to be the case, that the peace officer himself is not authorized to use deadly physical force under the circumstances.

(7) A private person acting on his own account is justified in using reasonable and appropriate physical force upon another person when and to the extent that he reasonably believes it necessary to effect an arrest, or to prevent the escape from custody of an arrested person who has committed an offense in his presence; but he is justified in using deadly physical force for the purpose only when he reasonably believes it necessary to defend himself or a third person from what he reasonably believes to be the use or imminent use of deadly physical force.

(8) A guard or peace officer employed in a detention facility is justified:

(a) In using deadly physical force when he reasonably believes it necessary to prevent the escape of a prisoner convicted of, charged with, or held for a felony or confined under the maximum security rules of any detention facility as such facility is defined in subsection (9) of this section;

(b) In using reasonable and appropriate physical force, but not deadly physical force, in all other circumstances when and to the extent that he reasonably believes it necessary to prevent what he reasonably believes to be the escape of a prisoner from a detention facility.

(9) "Detention facility" as used in subsection (8) of this section means any place maintained for the confinement, pursuant to law, of persons charged with or convicted of an offense, held pursuant to the "Colorado Children's Code", held for extradition, or otherwise confined pursuant to an order of a court.

24-20-202 Permit To Bear Arms.

If the governor at any time issues his proclamation as provided in section 24-20-201 declaring the state or any county, city, town, or district within the state to be in a state of riot, or insurrection, or invasion, it is unlawful while said proclamation is in force for any person, firm, or corporation within the territory covered by said proclamation to purchase, manufacture for sale or use, receive, transport, carry, or use any firearm or ammunition or to sell, give away, or otherwise dispose of or permit others to obtain possession of any firearm or ammunition without a written permit from the governor or his regularly authorized representative. No permit shall be issued by the governor or his representative unless and until the person so desiring such permit satisfies the governor or his representative that the same is to be used in defense of his home, person, or property. This section shall not apply to legally authorized peace officers, or sheriffs, designated by the governor or his representative, or members of the National Guard of Colorado. No permit shall be issued to allow the purchase, manufacture for sale or use, receipt, use, transportation, or disposing of firearms or ammunition by anyone not a citizen of the United States or to anyone who has not been a resident of the state of Colorado for more than one year prior to the issuance of the proclamation mentioned in section 24-20-201.

33-6-125. Possession of a loaded firearm in a motor vehicle.

It is unlawful for any person, except a person authorized by law or by the division, to possess or have under his control any firearm, other than a pistol or revolver, in or on any motor vehicle unless the chamber of such firearm is unloaded. For the purposes of this section, a "muzzle-loader" shall be considered unloaded if it is not primed, and, for such purpose, "primed" means having a percussion cap on the nipple or flint in the striker and powder in the flash pan. Any person who violates this section is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of fifty dollars and an assessment of fifteen license suspension points.
